Download Our New Parish App!

At OLPH we are pursuing new opportunities to foster a strong parish spiritual life and better engage our community with the New Evangelization by utilizing updated technology. As part of these efforts, we have updated our parish app for Apple and Android phones. Our new App will allow us also to send important messages throughout the week regarding our parish life and events. In addition to our parish resources, the "OLPH HUB App" also includes Daily Inspiration, Formed, Bible in a year, The Chosen Series, EWTN and at least 50 more apps in English and some in Spanish. There is a QR code for "MyParishApp" in this weekend's bulletin if you wish to jump ahead before our launch date and also a "Part 1 Tutorial" on how to download the app on our Facebook, YouTube and Website at olphcctx.org. This is all free, so do not let this opportunity for your family pass you by.
